Welcome to

St John the Baptist Church
Rowlands Castle

You are very welcome to sit and pray or just rest in the tranquillity of the church and to stroll or sit in the peaceful churchyard.

We hope this leaflet, which tells you something of what happens here, will add to your enjoyment of your visit.

OUR AIM

To share God's love with all whom we meet or who come to the Church or Centre

THE CHURCH FELLOWSHIP

We are a friendly and supportive church community drawn from inside and outside the village.

We are fully integrated into all the many and varied activities of village life, and are always open to new people and new ideas.

The church has been here since 1835; please see the separate history leaflet, available on the website, for some interesting information about the church.

You can also find out more information about the diocese and the village from the following :

'*Pompey Chimes*' - a 16 page colour newspaper produced monthly by the Diocese - this is available in church.

Rowlands Castle Association Magazine - Village & Valley is published 3 times a year and is available in the village convenience store.
